

Don't be surprised if you get a call or an e-mail from TREE Fund Special Event Manager Lynn Day, who is currently seeking sponsors for the signature fundraiser, Tour des Trees. But why wait for the call? Visit www.tourdestrees.org to see the sponsorship opportunities or contact Lynn Day at Lday@treefund.org.

On the Research Trail, the TREE Fund's research committee has reviewed 31 John Z. Duling Grant applications that were received and will be making recommendations at the February 5, 2006 board of directors meeting. Upon approval of these recommendations, awardees will be notified in March. The request for proposals for the 2006 Hyland Johns Grants will also be distributed in March and a revised application is currently posted at www.treefund.org. The deadline for applications is May 1, 2006.
