

Letter from the Editor:

“Good judgment comes from experience, and experience comes from poor judgment.” These are words I live by. The concept allows me to learn from my mistakes, and reminds me to be patient with others who need to learn from their mistakes.

It is my hope that whoever participated in stealing from our exhibitors at the WAA annual conference was simply practicing poor judgement. And in an attempt to learn from their mistake, will send an apology with a check or money order for the item(s) stolen to the company they wronged.

It is also my hope that our exhibitors will be patient with those who are trying to learn from their mistakes. We appreciate your willingness to attend our conference every year, and hope that this incident hasn't jeopardized our relationship.
