

We are Looking for Articles

Hey, Climbers!

Do you have equipment that has been a vital part of your day-to-day climbing? Do have equipment that has not served the purpose you expected? Do you want to tell your fellow climbers across the state about it? Well, I have the opportunity for you. *The Wisconsin Arborist* is looking for voluntary articles on equipment uses, functions, faults, strengths, or your choosing. I am looking for 300-word minimum, and pictures are always welcome. If you are interested, please contact me at 414-334-9434 or via e-mail at frogyl222@yahoo.com.

Happy Climbing!
