

UWEX 2009 Seminar

by Lisa Johnson, Horticulture Educator, Dane
County–University of Wisconsin Extension

Dear Horticultural Professionals,
You are cordially invited to attend the 2009 Winter Seminar Series. My goal is to offer educational sessions that will allow you to improve the quality of service and the profitability of your horticultural business. Although this course is designed for people in the horticulture industry, all interested individuals are welcome.

There are four weekly sessions beginning Thursday, January 8, 2009. The sessions start at 8:45 am and end at noon. They are held at the Dane County

Extension office located at 1 Fen Oak Court off Agriculture Drive and the South Beltline Highway. The registration fee for all four sessions is \$50 per person. If three or more people from the same organization are attending, the cost is \$45 per person. If you are only interested in taking selected sessions the cost will be \$18 per session. We hope to see you there!

If you have any questions, please contact me at the Dane County UWEX office at (608) 224-3715 or lisa.johnson@ces.uwex.edu.
