

WAA Award Nominations

Our opportunity to recognize the people who have truly made a difference in arboriculture takes place at our annual conference. This is our chance to show appreciation, enlighten membership and inspire from within.

Over the years, we have learned of numerous Arbor Day projects, educational efforts, met awesome individuals from communities of all sizes, just to name a few. Please take the time to think about worthy people or projects, then take the next opportunity by actually nominating them.

Download the nomination form at www.waa-isa.org. The deadline for nominations is December 1, 2008. The categories are WAA Honorary Life Membership Award, WAA Distinguished Service Award, and ISA Gold Leaf Award.

Students, do not forget to fill out your application for the WAA Scholarship. Every year we give out scholarships to three lucky students. It could be you.

Awards will be presented at the WAA Annual Conference and Trade Show in February 2009.
