

Lyme Disease: The Invisible Enemy

Kevin Green MD, MS – Physician, Green Medicine of Wisconsin

Evelyn Andersen APNP, MSN – Nurse Practitioner, Green Medicine of Wisconsin

Description of Presentation

Discussion on Lyme disease and the associated co-infections. What is it, where is it, what does it do and how do we treat it? We will discuss how to diagnose and treat both Lyme and the co-infections which are just as important. We will also dispel myths associated with ticks and Lyme disease.

Speaker Bios

Kevin Green MD, MS has been treating Lyme disease exclusively for 9 years and is a member of the International Lyme and Associated Disease Society. He is a medical microbiologist, taught microbiology in medical school and has run both microbiology and virology laboratories in the past.

Evelyn Andersen APNP, MSN is an experienced nurse practitioner working with Dr. Green at Green Medicine of Wisconsin.
