

Welcome Presentation for New WAA Members and Students

Lee Fredericks as your Host– Wisconsin Arborist Association (WAA) Membership Committee Chair

Description of Event

Create an opportunity for new members to meet other WAA members to encourage networking opportunities. Details will be provided for new members to learn how to get the most out of your WAA Membership including: discounts, CEU's offerings and career advancement opportunities. Learn and understand where and how to volunteer within WAA at various times throughout the year. Conference activities of this year's virtual event will be outlined to allow for questions to be addressed on any scheduled events. 2020 WAA Student Achievement and Scholarship Awards will be shared to encourage current students to apply in the future.

Host

Lee Fredericks is Regional Manager for Rainbow Treecare Scientific Advancements. Where he provides training and education for Rainbow clients to advance their integrated pest management and plant health care programs. He is the current Membership Chair of the Wisconsin Arborist Association and also serves on the Board of Directors for the WI Urban Forestry Council where he involved with the council's Stormwater Management Issue Group. He also is Saluting Branches Logistics Team Member. Hobbies include running, weight training, weekend campfires, snowboarding and having the best looking landscape on the block.
