

Putting Trees in Holes

Adam Alves, Zac Eckberg, Theresa Williams – Adjunct Instructors,
Madison College

Description of Presentation

Zac, Theresa, and Adam will discuss and demonstrate strategies for planting B&B, Container, and Bareroot trees.

Speaker Bios

Theresa, Adam, and Zac each have been practicing Arboriculture for more than 20 years, in both municipal, private tree care and higher learning institutions. They currently teach at Madison College in the Tree Care Technician program, while still working for the prospective companies.
