

## **Electrical Hazards: What you don't know can zap you! – John Ball**

Power lines and trees seem to go together. Unfortunately, this can be a deadly combination for arborists. This program will cover the new Z2026 electrical hazard standard and show how the standard is applied when working in trees.

### **Speaker Bio –**

John Ball is a professor of forestry at South Dakota State University where he instructs classes in arboriculture, forestry and emergency medical services. Dr. Ball also serves as the extension forestry specialist and a campus arborist. He was on the Z133 committee for the Z2026
