

A Prairie Tour - The History and Use of West Bends Prairie - Ryan Amerling

A guided walk through the prairies of West Bend Insurance. Talk about the history of the prairies and how they became what they are today. Discuss the management methods and techniques use and talk about what are the challenges that we are facing today. Talk about the role the prairies play in our water management design on the property, and discuss West Bends vision and sustainability practices for preserving natural habitats for future generations

Speaker Bio –

Graduated from UW Stevens Point in 1996 with a bachelor's degree in urban forestry. Spent 9 years in the golf course industry as an assistant superintendent and have been at West Bend Insurance for 21 years. 10 years as Landscaping Supervisor.
